

**Pride of Dakota
Qualifications
& Logo Promotion Policies**

The Pride of Dakota program is North Dakota’s premier program to promote and enhance the marketing of products created, produced, processed or manufactured in North Dakota.

Since 1985, Pride of Dakota has led the way in providing North Dakota businesses and entrepreneurs the resources and marketing opportunities they need to be successful.

The growth of the Pride of Dakota program is a testament of hardworking member companies, department staff committed to success and the patronage of thousands of loyal customers.

I look forward to working closely with member companies to continue the success of the program for years to come.

There is a great amount of spirit and pride in showcases, through all of the member companies and their products. We will work closely together to encourage consumers to ‘Buy North Dakota First’!
