Membership Policies

Pride of Dakota members must abide by the following membership policies.

Membership Qualifications

To qualify for membership in Pride of Dakota, a company must be physically located in North Dakota or manufacture or produce its products in North Dakota.

Only products that were produced, processed, or originated in North Dakota or are significantly altered by input of labor, process, or intellectual content in North Dakota qualify as Pride of Dakota products.

For items to be considered "Pride of Dakota" products, they must be made or assembled by an owner or employee of the company or by a company volunteer.

- Cloth items must be sewn, embroidered, crocheted, knit, etc. by the company.
- Jewelry must be created in its entirety, or all its components must be assembled by the company.
- Clothing and accessories must be made, assembled, or designed by the company; adding an embellishment or adornment (example: button, gemstone, ribbon, etc.) does not alter the product significantly enough to qualify it as a Pride of Dakota product.
- Art works and photography must be the work or intellectual property of the company.
- Publications by North Dakota authors or publications printed by North Dakota companies qualify as Pride of Dakota products; publications about North Dakota that are not written by a North Dakota resident or printed by a North Dakota company do not qualify.
- Décor-type items must be handcrafted, assembled, or significantly altered by the company.
- Food and beverage products must comply with health standards set by the respective health units that have jurisdiction where these items are being sold.
 - Processed food products and beverages must be labeled with the company name on each item. If an item is processed or produced in North Dakota by a non-resident Pride of Dakota member, the product labeling must state "made/manufactured/processed/produced [as appropriate] in North Dakota." Members are allowed to sell their current inventory; however, new inventory must comply with these policies. This requirement will be in effect January 1, 2015.
 - Fresh, raw, unprocessed foods (for example, produce items sold at farmers markets or CSAs) grown and sold by a Pride of Dakota member do not need to be labeled as "Grown in North Dakota."
- Service companies qualify for membership if they were started in North Dakota and remain headquartered in the state.

Items that are sold by a member that do not meet the above specifications do not qualify as Pride of Dakota products and cannot be branded or marketed as such. These items are prohibited from being sold at Pride of Dakota-hosted events.

Items purchased from another company to be adorned and sold as Pride of Dakota products must be altered substantially to qualify. Items bearing tags or stickers indicating another state or country of origin do not qualify as Pride of Dakota products; however, they can be used as a component to make a Pride of Dakota product.

Distasteful, lewd or risqué items will not be approved as Pride of Dakota products and cannot be sold at Pride of Dakota-hosted events.

Members may be asked to provide proof of process for the production of their goods or services.

The North Dakota Department of Agriculture, under the direction of the Agriculture Commissioner, has final authority to determine whether a company or product qualifies.

Licensed & Trademarked Logo Use

The Pride of Dakota logo shall not be affixed or affiliated with any products containing a trademarked brand owned by the State of North Dakota, unless those products are properly licensed or other expressed written consent is given by the North Dakota licensee or trademark holder of that brand, image, or phrase.

Such products include but are not limited to: fabric items, embroidery, vinyl and sublimation processes, glass, metal and wooden items, etc.

Examples of such North Dakota-owned trademarked brands, images, logos, or phrases include but are not limited to: NDSU Bison, NDSU, UND Fighting Hawks, UND Fighting Sioux, UND, other ND state colleges, and the ND State Mill. At a Pride of Dakota showcase or event, a member company may not display or sell unlicensed products with North Dakota-owned trademark brands. Member companies are required to show proof of a license or of written consent prior to showcasing and selling items with North Dakota-owned trademarks.

Below are links to NDSU and UND logo licensing application procedures:

https://gobison.com/sports/2013/5/29/licensing.aspx#:~:text=All%20manufacturers%20must%20have%20permission,email%20licensing%40clc.com.

https://campus.und.edu/brand/licensing.html

Additionally, Pride of Dakota encourages vendors to comply with the licensing requirements of trademarks owned by other entities, such as out-of-state university and colleges, Disney, Pixar, Marvel, John Deere, Coca-Cola, Jack Daniels, NFL, NHL, NBA, MLB, Harley Davidson, Ford, Chevy, GM, etc.

If a member company wishes to sell items with a logo from a local school, that member company should first request and receive express written consent from that school or applicable school board.

Refund of Membership

- The North Dakota Department of Agriculture makes all efforts to ensure satisfaction with Pride of Dakota membership. Refunds for membership will be provided within 21 business days of the receipt of payment for a new or renewing member. After 21 business days, no refunds will be made available for membership purposes.
- Requests for the refund of a membership must be made in writing and emailed to POD@nd.gov. Membership can be cancelled at any time by requesting such cancellation in an email to POD@nd.gov.
- Any membership cancellations that take place more than 21 days after payment will not receive a refund, however all membership-related listings, benefits and values will be cancelled.
- In the event the Department determines an applicant does not fit the membership criteria, membership will be refunded.

Refund of Event Registration

- We ask that you do not sign up for any showcases until you are certain you can attend the events.

- Event cancellations must be emailed to POD@nd.gov or they will not be granted.
- As of 2022, refunds will only be given under extreme circumstances and will be reviewed on an individual basis and granted on a case-by-case basis.
- If the Department hosts a showcase and a registered company does not attend due to inclement weather, a refund may not be given.
- The Department reserves the right to cancel an event due to low enrollment, inclement weather or other

- circumstances which would make the event non-viable. If the Department cancels an event, registrants will be issued a refund.
- Should circumstances arise that result in the postponement of an event, registrants will have the option to either receive a full refund or transfer registration to the same event at the new, future date.

Early breakdown/vacant booth

Any member that violates the early breakdown of their booth or does not show up for a showcase, resulting in a
vacant booth will not be issued a refund, and may be subject to a fine as outlined in the program policies.

Pride of Dakota Service Animal Policy (NEW)

The North Dakota Department of Agriculture's Pride of Dakota program is committed to making reasonable modifications to its policies to permit the use of service animals at the Pride of Dakota showcases for individuals with disabilities.

Service animal means any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability. Other species of animals - whether wild or domestic, trained or untrained - are not service animals for the purposes of this definition.

A service animal shall be under the control of its handler. A service animal shall have a harness, leash, or other tether. North Dakota Department of Agriculture staff will not be responsible for the care or supervision of a service animal. An individual with a disability may be charged for the damage caused by his or her service animal. If a service animal's behavior poses a direct threat to the health or safety of others, the North Dakota Department of Agriculture staff has the right to exclude the animal from the event.

Employee Requirements - The employee is only allowed to ask the individual accompanied by a dog two questions:

- 1.) Is the dog a service animal required because of a disability?
- 2.) What work or task has the dog been trained to perform?

No further questions are allowed.

The North Dakota Department of Agriculture, under the direction of the Agriculture Commissioner, has final authority to determine whether a company or product qualifies.

The Pride of Dakota logo may be used on product packaging, sales literature, advertising, banners, etc. to promote a Pride of Dakota member and its Pride of Dakota products. Pride of Dakota Events

Selling non-Pride of Dakota products at Pride of Dakota events is prohibited. If a member attempts to sell non-Pride of Dakota products at a Pride of Dakota event, it will be asked to stop. Enforcement action may be taken under N.D.A.C. 7-09-01-10 against a member that does not comply, including revocation of membership and prohibition from participation in future Pride of Dakota events.

Pride of Dakota event vendors must abide by event-specific rules indicated at the time of registration or shared any time prior to or during the event. Those who do not follow rules or display unprofessional behavior toward other vendors, facility staff, customers, or Department of Agriculture staff may be banned from future Pride of Dakota events or have their membership revoked.

Booths at Pride of Dakota events must be manned by an employee or volunteer of the company for a majority of the event.

Exhibitor spaces are assigned using the following criterion:

- First-come, first-served. Booth space location will be assigned based on vendor requests, in the order which they were received.
- If no specific location request is made, the Department of Agriculture will attempt to place the vendor in the same spot it previously had.
- Primary booth locations will be filled first. Additional spaces out of the main flow of traffic may be opened, if
 needed, at a lower cost following initial registration. If the room or area containing the additional booth spaces
 does not fill with vendors, the Department of Agriculture reserves the right to not use the room or area for the
 show.
- The Department of Agriculture has the right to assign or reassign exhibitor spaces as it sees fit to best benefit the entire showcase event and create a better shopping experience for customers.

Value-Added, Non-Pride of Dakota Products

Value-added, non-Pride of Dakota products that meet the following requirements may be sold at Pride of Dakota events:

- These items cannot be individually priced or sold.
- These items can be added to a gift package or "package deal" if the value of the package is not significantly increased. Value-added items must be worth less than 50 % of the package's value (i.e., if your "package deal" or gift package is worth \$50, the price can be increased by no more than \$25 when including the value-added item

for sale).

- Example: Company 123 grows and sells peanuts and offers gift baskets of different flavors for \$20. The company may include a nutcracker in its gift baskets and increase the sales cost by up to \$10 (which is 50% of the package's \$20 value).
- Specialized packaging, trays, baskets, etc. for gift packages are permitted.

Contesting Process

If a member or a company interested in becoming a member disagrees with an action or decision of the North Dakota Department of Agriculture under these policies, the company may present its argument to the Pride of Dakota Advisory Council at the Council's next meeting. Presentation time and discussion will be limited to 15 minutes. The Council will discuss the matter and advise the North Dakota Department of Agriculture on whether to retract or enforce the initial decision. Final authority rests with the Agriculture Commissioner.

A Bismarck temporary food license is required if:

• You are selling any perishable food (i.e.: food that requires temperature control) such as raw meats, cooked meats, food of animal origin, baked foods containing cream, etc.

 You are making/preparing food onsite at the event (Note: A food license is not required if you are only sampling food).

If you meet the criteria listed above, please review the attached temporary food requirements and complete and return the attached temporary food license application to me or our office at least one week prior to the event. If you already have a 2025 Bismarck food license your license is valid for this event, and you don't have to reapply.

Lastly, if you plan to offer food samples, you must follow the required sanitary practices:

• Bare-hand contact with ready-to-eat foods is not permitted; single use-gloves, tissue paper, clean tongs or other serving utensils shall be used when working with food samples.

• Samples shall be in single servings (a customer cannot dip a chip into a salsa; rather a pre-portioned chip and salsa sample must be served).

• Single use sampling utensils must be dispensed in a manner that prevents hand contact with the portion that enters a customer's mouth. In general, this means handles up if stored in a cylinder or all handles closest to the customer if presented on a flat clean serving surface.

• Food samples shall be protected from contamination - the vendors shall closely monitor the food samples and discard all exposed foods if they get contaminated by environmental contaminants (coughing, sneezing, customer handling)

Event Guidelines

To keep Pride of Dakota showcases professional, clean and safe, we ask that you follow the reminders below:

- You must have all of your belongings moved in one hour prior to showtime and your booth set up a half hour prior to showtime. If you are not set up a half hour to showtime, you will be asked leave and come back in the following day to finish set-up.
- If you are late to the showcase, (we close all move in doors one hour prior to show time) you will not be allowed to set up and a refund will not be given.
- Purchase tables and electrical at registration time or let the Pride of Dakota Specialist know <u>prior</u> to the showcase if any tables or electrical need to be added to your booth. This helps with knowing where to string electrical, prevents electrical boxes from tripping, and respects Department staff time.
- Always bring an extension cord if you have requested electrical as it is not the Department's responsibility to supply you with one.
- After the showcase, please cut down all your boxes and put them by a garbage or off to the side against a wall. Throw any garbage from your booth in the proper receptacles.
- Do not tear down your booth early. All carts and dollies must remain off the floor until the close of the showcase for the safety of your shoppers. Tearing down early will result in a fee or being excused from doing future showcases.
- Bring backup shopping bags as we have a limited supply at each location.
- Do not bring your vehicle to the loading dock until your booth is all packed up and ready to be loaded.
 This will prevent the loading dock from being blocked for companies who are ready to move their belongings out.
- ALL items in your booth must be made, manufactured, processed, or produced in North Dakota. You
 cannot re-sell non-Pride of Dakota items. If we find you are selling non-Pride of Dakota items at your
 booth, you will be asked to stop and remove them from your booth.
- Distasteful, lewd, or risqué items will not be approved as Pride of Dakota products and cannot be sold at Pride of Dakota-hosted events.
- If you are running under the cottage food act, the following statement must be displayed in your booth or on all your products: "This product is made in a home kitchen and is not inspected by the state or local health department."
- We no longer will be renting tablecloths. Professional tablecloths will be mandatory for each company.
 We ask that they are skirted on all four sides and touch the floor. We prefer they are black, but you can have tablecloths that match your color scheme.
- All your items must stay within your 10x10 booth space. Items cannot encroach into the aisles.
- No pets or emotional support animals are allowed at the showcases, service dogs are welcome.
- Dress code: Please dress in professional attire as you are representing not only your company but the Pride of Dakota brand.
- Absolutely no alcoholic beverages may be consumed on site at showcases (this excludes sampling during show hours by companies selling these products). Due to the venue's liquor license regulations, our event could be shut down. Anyone consuming alcohol at their booth will be asked to leave immediately and will forfeit their registration fee.

Thank you for being part of the Pride of Dakota program and we wish you a great showcase season!
